

DRAFT AUSTRALIAN CURRICULUM FOR AUSLAN

Community Consultation Forums

The draft Foundation – Year 10 Australian Curriculum: Languages for Auslan has been released for public consultation from 19 May to **8 August** 2016.

ACARA is seeking feedback on the draft Auslan curriculum from the Deaf community.

Consultation forums will be held in a number of cities. These forums will provide an opportunity to share information about the draft Auslan curriculum with the Deaf community, and to ask community members their views on the structure and content of the curriculum, including learner pathways.

Feedback received will inform revisions before the final Auslan curriculum is submitted to education ministers for their approval.

To view or download the draft Auslan curriculum, visit the Australian Curriculum consultation website at <http://consultation.australiancurriculum.edu.au/>

To RSVP for a meeting, please contact languages@acara.edu.au.

This is your chance to get involved and provide feedback to ACARA about the draft Auslan curriculum.
